SMALL DOG PLACE

A PLACE FOR ALL SMALL DOG LOVERS

ABOUT SMALLDOGPLACE

Small Dog Place is a widely read informational website about small dogs, breeds, care, training, health and everything in between. After living with and caring for dogs all my life, I bring personal experiences and knowledge that people won't get anywhere else.

Launched in 2013, Small Dog Place has been steadily growing as I publish new and useful information. I interact with my followers on Facebook and Pinterest. Newsletters are sent out once per month, and I reply to all direct email communication.

ABOUT ME

Having been a lifelong dog lover, I've served in a variety of different roles, from a veterinary technician, to shelter and adoption employee to dog breeder. Most of the dogs I've owned have been small, thus the emphasis on small breeds. Now, I spend my time breeding Shih Tzu dogs, training, grooming, and caring for their health. Writing has become a passion for me and a way to help others with everyday problems they may have from choosing a breed to caring for a senior dog.

I live in the U.S.A. with my pack of dogs along with my husband and two grown children.
